The screenshot shows a GoToWebinar control panel window. At the top left, there is a vertical toolbar with four icons: a right-pointing arrow (minimize), a microphone with a slash (mute), a document (questions), and a hand with a slash (hand raise). The main area is divided into sections. The 'Audio' section includes a 'Sound Check' indicator, radio buttons for 'Computer audio' (selected) and 'Phone call', a 'MUTED' status with a microphone icon, a dropdown menu for 'Microphone (HD Webcam C510)', a volume slider, and a dropdown menu for 'Speakers (High Definition Aud...)'. Below this is the 'Questions' section, which contains a text input field with the placeholder '[Enter a question for staff]' and a 'Send' button. At the bottom, there is a section for 'Multi sessions different registrants' with the 'Webinar ID: 980-960-603' and the GoToWebinar logo.
